

From Tuesday 29 October 2019 until mid-2020, there will be no right turn from Ellerslie Panmure Highway into Ireland Road. This is due to staged works being carried out to reconfigure Panmure Roundabout into a four road signalised intersection as part of AMETI Eastern Busway Panmure to Pakuranga project.

From 29 October, if you are approaching Bill McKinlay Park, 3 Ireland Road from the West (Ellerslie Panmure Highway), please take one of the two short detours marked on the map below. During this period, Ireland Road can be accessed through turning left off either Queens Road or Lagoon Drive. Alternatively there is access from Waipuna Road.

When departing the Park, you can turn left out of Ireland Road into Ellerslie Panmure Highway or head south to Waipuna Road.
